## LIVE STREAM DIRECTOR

We are seeking a talented and experienced individual to join our team as a Live Stream Director. As a Live Stream Director, you will be responsible for conducting and leading the Video Team for events such as worship services concerts, meetings, conferences, or general broadcasts. You will also be responsible for providing training sessions to the Live Stream Technicians as per the event requirements. Moreover, you should have a phenomenal knowledge of broadcasting equipment. You should possess excellent presentation skills as you will have to coordinate your team and work alongside other department leaders.

If you are interested in this position, then write to us right away. We will be happy to work with you.
