

## **REHOBOTH NEWS BULLETIN September 2018**

Greetings to you in the name of our Lord Jesus Christ. As we all are aware of flood and land sliding in Kerala started on 13 of August 2018, it swiped many houses and valuable things and documents in the victim's home. Though the flood is over still the houses are not upto the standard of living because it has got many snakes and other wild creatures in their home. Except some parts of Idukki Districts the villages called, Muniyara, Nedumkandam, Cheruthoni are marked as volcanoes and land sliding area, the walls of the houses are tearing also the lands, still there are 350 families are in relief camps, and many have moved to different places. The Government have told them not to go back until they get notice from the concerned government officials.

This time I take opportunity thank those of who stood with us to help supply their needs. Our staff were working in the affected area 2 weeks back, we were able to help at the early phase, God willing me and Pastor Joseph Joy is going to Kerala on 18<sup>th</sup> of this month to personally visit and hand over the immediate needs for those people. We will be updating with pictures and the situation the people are undergoing. Many believers have lost their homes who are from mountain range where the volcano and land sliding took place. We are praying if the Lord opens the door we would love to help them by building homes with one bed room, living room, kitchen and bath room, with \$ 2,500.

Once again I want to thank all of you for standing with us for helping the victims, without you we could not help. As Proverb 3:27 says Do not withhold good from those to whom it is due, when it is in your power to act. And you all have done that for the need

With thanks

Yours in His Vineyard

Rev. Dr. Johnly Vengayil
